

OPPORTUNITY.....OPPORTUNITY.....

Colostomates Needed...

\$ 50 GIFT CERTIFICATE TO PARTICIPANTS

WHAT One of the major ostomy product manufacturers is conducting a study to obtain feedback from colostomates in the USA on the experience of using a new one piece drainable ostomy pouch .

WHO To obtain this information adult participants are needed who

- Have had their colostomy for at least 3 months
- Use a flat one piece drainable pouch
- Are independent in ostomy care
- Do not irrigate
- Willing to use cut to fit pouches during the study
- Willing to use 2 different pouching systems during a 3 week period(pouches will be provided to participants)

WHEN Study will be during Fall 2006 & Winter 2007

WHERE Study will involve 3 clinic visits with Julia Ringhofer RN WOCN Ostomy nurse at Scripps- Mercy Hospital in the Hillcrest area.

WHY Improve pouching options for people with an ostomy.

For more information and to participate call
Julia Ringhofer RN CWOCN at (619) 260-7244
Please leave a message and I will return calls.
